

## **Erebos 6.0 Event Overview – Keys**

**Ch 1 Blades - occurs as they are outside building 1 fighting on the bridging and scaffolding, cutaways to cavat's own timespace & flashbacks as he observes the world as a god.**

- Cavat's dreamstate - Defines the hymn of aria
- cavat's dreamstate - Defines the reality
- Blades run from the explosions caused by crescendo and flare
- ostinato demonstrates elemental manipulation
- They reach the main platform & Wait for largo
- Air Cavat & Canon argue
- Slayer drops down from above
- Slayer V Canon
- presentation of the psallein
- presentation of the opposing factions cathedral v knights of dayus

**ch 2 Psallein - occurs on the collapsed bridging between Building 1 and building 2**

- Cavat's Dreamstate - Defines origin.
- Cavat's Dreamstate - Defines twisted dogma
- Empowered Blades fight slayer in formation
- Largo Arrives in an airship & Slayer cuts it out of the sky
- Slayer Introduces herself
- Canon Unchains himself and the Blades allowing them to use their max power
- Vivace screams at cavat as cavat loses it
- Cavat's dreamstate - Defines faith & the tzadi
- the unchained blades fight slayer s1
- Slayer kills a few of the blades and maims a few others
- Slayer Observes the tear of aria and the amps.
- cavat becomes unstable.

**ch 3 Ascendance - occurs on the collapsed bridging between building 1 & 2**

- Cavat's Dreamstate - Cavat communicates with selaphiel and completes the bide (the dream of reality so that he may speak for them)
- canon & slayer bicker
- Cavat Rises stage 1, cavat attempts to communicate in this form... the others cant understand him
- the knight Flare enters the battle
- 3 Knights v remaning blades
- The cathedral nobiles arrive in the nick of time and save them with medical and barriers
- Forte & Cavat speak
- Battle between nobiles blades and the knights of dayus

- the first helios is almost used but it is interrupted
- Enter Dayus

**ch 4 The Twisted Dogma- occurs on the collapsed bridging between building 1 & 2, few cut away to building 1's atrium before it explodes**

- Dayus walks out of building 2, and reveals himself from the origin phase (dimension)
- Dayus Speaks to cavat to help him define what he is and what they are doing to the audience
- Dayus speaks to the knights and calms them
- Dayus Speaks to the Cathedral Vanguard (nobiles, blades, justicars, & harbinger): join me or die.
- Forte responds and denies him
- Adagio fires assassination rounds from the atrium
- Penance takes care of Adagio by destroying the top of the tower
- Dayus loses his patience,
- the knights attack the vanguard teams
- dayus & forte fight,
- dayus fades back into origin,
- forte feels a moment of total loss. as he realizes how unfathomably strong the knights are.

**Ch 5 nephilum - happens lower down near the water on the bridging between 1 & 2**

- Forte & Penance have a moment of conversation from later on in the series as reality bends
- the bridge crashes and breaks, each of the teams are split from each other
- story focuses on bolero, mute, scherzo and allegra are isolated with the knight flare
- Flare introduces her self
- Nobiles fight flare in formation
- Flare maims allegra
- scherzo decides to finish things mono y mono
- scherzo has a conversation with flare
- Scherzo goes full nephilum
- the Nephilum beats the shit out of flare
- the nephilum uses a final ability to turn everything within its reach to ice
- Flare survives through mana's (hidden knight) ability,
- Flare recovers and watches the city talking to mana

**ch 6 cavaets - happens in the hollowed interior of building 2 between the outside and selaphiels cradle**

- Forte, Canon, ostinato, vivace, air (forward team) take a moment in the hall of building 2
- Vivace demonstrates her utility and the team attempts to understand cavats true nature
- they move forward into the halls & find cavat
- Fight with cavat's illusion

- Cavat reveals his many selves each from a different reality
- cavat & the forward team argue as the details of his betrayal are uncovered
- forward team fights a few of the cavats to no avail
- Cavat is allowed his moment to speak there are flashbacks on the events leading to his betrayal
- cavat asks them to cast off their tears of aria
- forte & the others reject him
- Cavat convinces them to destroy dayus's failsafe on the selaphiel cradle
- the forward team attacks the pods and destroys the feed mechanisms rendering all the anima inert
- Cavat grins and summons forth the reality marble of selaphiel then each version of him vanishes

#### **ch 7 chaos in the dark - happens in building 1 in chaos's cradle and the elevator shafts**

- Follow Ash Caprice & Opus into building 1
- conversations define how origin works & what the psallein actually are
- conversations define how the vanguard works
- they continue forward into Chaos's cradle
- explosions and bad luck allow the knight Chaos to awakens in s1
- ash caprice & opus Escape from the cradle
- Chaos pursues attempting to eat them, Ash Unchains and uses her ability to blind and burn him
- Ash is accidently maimed by chaos and her own actions
- Caprice stands against Chaos who evolves to s2 after sampling ashes blood
- Opus & ash escape, just as caprice gets into the worst of it with chaos
- the Knight penance shows up and steals opus away, ash attempts to fight but her amps explode and she is unconscious
- cadenza warps in too late he and penance stare at each other once more, until penance vanishes into the origin phase.

#### **ch 8 sin's of the father - occurs in ground / sea level / the sub basements connecting building 1 and building 2 together**

- Adagio wakes up having fallen from the atrium of building 1 into the ocean below,
- adagio wanders inside compound 1 in search of his teams
- He meets up with Harbinger Team and speaks with opus, as they both watch their target
- Knight virelai monologues for a bit, defines world & his research along with introduction and explanation of mags computing systems
- Harbinger collects virelai rendering him unconscious.
- harbinger begins collecting his data for operations back at the cathedral
- Fantasia chastises threnody for nearly botching the mission
- adagio analyzes the knights and virelai's research, setting up the next arch
- they discuss Exit strategy

- Virelai's wakes up and takes them hostage, he turns threnody into a nephilum and injects her with his own deus ex.
- Threnody loses herself to nephilum but virelai turns into his monster form and takes control of her... revealing his strange abilities
- Etude begins fighting Virelai (a father son match)
- Etude corrupts nearly going nephilum
- Etude's tears explode and the everyone is knocked out by his last attack

#### **ch 9 bliss and horror - occurs in both the sub basement and the lower levels of building 1**

- caprice v chaos - define the knights
- Caprice Unchained - the pain animas -
- caprice - reality marbles
- Caprice - Bliss anima v Chaos s3
- Chaos kills caprice
- Threnody loses it and begins pulsing as a nephilum again she creates a reality marble that is bringing the structure down on top of them
- Virelai implants Etude with the same deus ex he put in threnody (his daughter)
- Virelai then turns and leaves as threnody is left going insane
- Adagio and fantasia are free of his sphere of influence, adagio immunizes himself leaves harbinger behind with their dicks in their hands and pursues virelai
- Threnody initiates horror anima's
- Caprice is revived
- caprice fights chaos on even footing and wins
- Chaos Summons Mikhael
- Mikhael obliterates caprice, but caprice doesn't die, instead she oddly turns and runs

#### **ch 10 despair - occurs in the sub basement, and sea level along with the lifts and train exits to building 1**

- Fantasia quiells and calms Threnody's exploding power
- fantasia unchains and nullifies the reality marble with her own psychich abilities
- Threnody is contained
- fantasia reverts and has a chat about etude's origins
- Chaos & Caprice barrel through the structure and wind up finding harbinger team
- Fantasia Sacrifices herself to save the young ones
- Fantasia reveals her anima's in the fight against Chaos
- Caprice, threnody and etude rush out
- Explosions occur, caprice sends them ahead
- Chaos appears wearing fantasia's skin, caprice fights chaos but a cut occurs in the final moments
- Etude & Threnody walk directly into the knight penance who renders them unconscious and collects them.

- Chaos wanders up from the depths of building 1, set loose upon the world
- his form ravages itself turns into blood and disappears.

#### **CH 11 Fealty - occurs in building 2 and selaphiels cradle. along with cavats madness**

- Canon Identifies the reality marble in front of them is a weapon known as selaphiel
- vivace explains it as a nouetic weapon powered by cavat on the inside
- Air tries to enter gets knocked aside by an incredibly strong barrier
- only way thru is to resonate with it, meaning using full power and probably becoming nephilum monster
- canon unchains himself
- canon Goes ein psal (the ability to control ones nephilum)
- Canon resonates with the barrier and creates a null sphere
- the group goes in
- canon loses himself to his nephilum,
- forte tries to help but makes it worse, madness surrounds canon and he commits suicide by jumping into the raging barrier
- The forward team wander into Selaphiel cradle and experience cavat's madness - kind of like ashura in soul eater.
- they are confronted by knight slayer

#### **Ch 12 the slayer - occurs within Selaphiels cradle, and cavats madness**

- Vivace tries to talk to cavat, slayer intervenes
- slayer explains why he wont wake.
- vivace comes up with a plan, vivace unchains herself and disappears into the origin phase of cavat's madness
- Forte Ostinato & Air fight slayer in formation
- forte attempts to attack cavat slayer counters with stage 2
- Forte Ostinato & air each unchain themselves going max power
- they push slayer into the madness
- Slayer escapes by using her helios, she then defines what it is.
- Slayer counters everyone and tosses forte into the madness
- Slayer attacks and pushes ostinato into nephilum then kills him
- Slayer attacks and pushes air into nephilum then kills her
- Forte emerges from the madness to catch air
- forte absorbs his tear of aria and becomes ein psal
- Demonstration of Ein Psal

**ch 13 psalms - occurs within the wreckage of building 1, selaphiels cradle, cavats madness, and the helios dreamstate. also flashbacks and delusions.**

- Forte Demonstrates the 5 paths of power explaining why he is the hand of aria.
- he gains advantage on slayer
- Forte's resolve to the twisted dogma to kill slayer
- Slayer uses a psychic ability to cause madness within Forte's Nephilum and forte loses control
- forte begins to corrupt, attacking savagely like a monster, Slayer's allows this until she-
- Slayer goes Stage 3 and summons uriel, slayer/uriel explain what a godkin is, and why simple psallein will never be able to fight on even footing with them.
- Slayer seals Forte with ancient magic, much similar to how chaos was sealed,
- Slayer starts causing forte to experience, delusions in the madness, seeing the apocalypse unfold
- Vivace is summoned back from the origin phase having found cavat in the dream state
- Cavat wakes up, the reality marble pops & his body is reconstituted
- cavat shuts slayer down
- cavat speaks with forte and vivace until cavat and vivace have their lovers moment
- Slayer rends cavat forcing him to heal, she then kills vivace
- Cavat summons his selaphiel godkin form and beats slayer to a pulp
- Slayer inspires madness within cavat in order to make selaphiel angry with the hope he would burn the world again kickstarting the apocalypse
- Vivace's final transmission occurs it calms cavat, and in a crucial moment he regains himself.
- Cavat uses his helios to recreate reality, He grabs onto slayer forcing them both to endure all of the hate and sadness they have caused.
- Cavat's wish was to change reality so that even gods could understand the pain and suffering they caused others,
- Slayer witnesses her long repressed memories in the final helios, vivace's transmission finishes and all of tower 2, the altar, and the cradle of selaphiel are all reduced to smoldering debris, even tower 1 is affected by the malestrom of hell fire.
- cavat in his last moments wishes selaphiel to resurrects forte, but by doing so selaphiel has been transferred to forte.
- forte rises just as cavat and vivace turn to crystal on the altar
- forte turns to leave
- Selaphiel asks forte to define his resolve, forte gives his response
- forte falls down as the hymn of fates forces him into a bide coma
- fade to black
